DISCUSSION OF INCIDENT: (Summary of comments from parent, student, and administrator) List evidence discussed.

Ms. Williams - Concerned about Shue staff not implementing Code of Conduct / Dress Code; Code of Conduct should be implemented consistently.

Dr. Moody - To focus on what Reggie did, we had to follow the Code as a Level 3 offense.

Dr. Williams - "Dress Code" infraction is irrelevant, we need to discuss **STUDENT/PARENT/GUARDIAN COMMENTS** Reggie's actions.

Ms. Williams - Reggie is involved in many community activities, is compassionate, he has shown remorse. Asks for us to give son another chance to redeem himself. Willing for Reggie to do community service, write essay. He made big mistake - should not be penalized.
